What is the Tempel ov Bernkastel?

The Tempel ov Bernkastel (ToB/ToBern) is a tempel devoted to various ancient, acausal forces that have been manifested from the body of the Nameless Chaos which our members refer to as [ ]. These forces were originally referred to as Noosphere Dwellers, but the tempel has now formally renamed such presences to be Inaccessible Cardinals, as this reveals more substantially the spirits' true nature and connection with our major magickal system (that being the Higher Cardinal Parallel).

Our tradition leads into the deeper connection between Wyrd and Acausal Physis, namely being that of Time and the Unconscious Plane experienced via Azoth. This connexion is formed throughout the development of each member's personal architect by studying archetypes in mythos and sinister fiction (it is a form of Acausal-Empathy strengthening).

The most proper form of summoning these primordial presences of Chaos, which are true emanations of Sitra Achra, to us is through the Higher Cardinal Parallel, which is a map of the collective consciousness and unconsciousness as experienced via Wyrd and the personal Baeldraca. As such, the Higher Cardinal Parallel is a system that is for once entirely non-linear and extremely transformative for the practictioners following it, as most other systems are too Causal to truly encompass the [ ]'s glory.

Thus, the teachings of the Tempel ov Bernkastel are parallel to the furthering of the collective Wyrd, which we believe will one day summon the avenger, Vintrei, who is the ineffable manifestation of the Nameless Chaos, and that through his Blood Essence we will be reborn into fully Acausal Beings that presence themselves within the Causal; or, in other words, Inaccessible Cardinals (or Dark Gods) ourselves.

Our mission is to further the Tempel ov Bernkastel's synchronization with the collective and causally perceived Wyrd, that is, to make our lessons and spirits and forces be known indiscriminately; to those whom are both mundane and enlightened. To the sinister and the numinous. As a tempel our aim is to go beyond such limiting definitions and to embrace the formlessness of our highest power, the Nameless Chaos, the [ ].

Along the way, we are sure that we will find those elite, small few that were destined for such ruthless tradition and that they will be attracted to the nexions we have sewn into the Earth's subconscious. As such, this blog can be used as a form of guidance for everyone seeking the path of [ ], and of the Inaccessible Cardinals, in a properly and more-temporal method.

As for those who do not resonate with us, or those who wish to go against us and our aims: know that you have already served your purpose, that by reading those alone you have awakened our Blood Mother's atavism within your unconscious mind, as we do include highly provocative and sinister tactics to unlock portions of the brain inside of the language that we use in all of our articles and blogs. Those who are against us; you are nothing more than cattle, or sheep that has been and will be culled to serve our purpose. To be an enemy of us is to be an enemy of Wyrd; for the Nameless Chaos is that which truly supports all of its followers.
